REMARKS/ARGUMENTS

As a preliminary matter, Applicants note that the present application is a continuation of presently pending U.S. Serial No. 10/059,776, Attorney Docket No. ISIS-5021, for which claims 1-27 stand allowed.

Claims 29-37 are pending in this application. Claims 1-28 have been canceled. These amendments are made without prejudice to presentation of the original claims in a continuing application. Support for claims 29-37 is provided throughout the specification as originally filed, including for example page 11, line 20 to page 13, line 30. No new matter is entered upon entry of these amendments.

Applicants requests the Examiner to:

(1) enter new claims 29-37, and cancel claims 1-28; and

(2) pass claims 29-37 to allowance.

If the Examiner is of a contrary view, the Examiner is requested to contact the undersigned attorney at (215) 557-5984.

Respectfully submitted,

Date: October 6, 2003
